Connecting young people with Europe

Open to European partnerships

WHO WE ARE

We are a **French non-profit organisation** that supports young people and youth organizations in accessing **international mobility** and **European programmes**, with a strong focus on **inclusion**, civic **engagement** and democratic **participation**, **solidarity**, and **equal opportunities**.

Our **members** are **professionals** working with **young people**, in the field of **international cooperation** and **project development**. They have:

- **experience** in European projects,
- a strong level of **commitment**,
- solid **expertise** in the **management** of European and local **projects**.

OUR PROJECT: ACCESS EUROPE

Since 2024, “Access Europe” has aimed to make **international mobility** a **tool for inclusion** and **empowerment** for young people.

Our actions include:

- **Awareness**-raising on **European opportunities**
- Individual and group **support** for young people
- **Erasmus+ project** development and follow-up

Our experience

13

Erasmus+ projects, including 6 DiscoverEU Inclusion projects

+150

Young people raised **awareness** of **European mobility opportunities**

A strong local and European network of partners:

8 local **organisations**

Europe Direct Clermont Métropole

European partners

Local and regional **authorities**

“ Our projects bring together young people from different European countries and strengthen their social, civic and intercultural skills. ”

Why work with RPJA?

- **Reliable** European project partner
- **Strong local presence** in France
- Ability to **involve young people with fewer opportunities**
